Northeastern Field Family Camp 2017, N.Y. Fight for Your Family!

**And walk in love, as Christ
also hath loved us,
and hath given himself
for us an offering
and a sacrifice to God for
a sweet-smelling savour.**

Ephesians 5:2

We welcome all families and youth to spend beautiful days with the Lord and among God's people in the **oldest State Park of the Taconic Region, New York, from June 15-18, 2017.**

Themes that stimulate our relationship toward God and toward each family member will prepare our hearts and lives for Jesus' soon coming. Seminars for couples, youth, and children are in preparation. Beautiful nature, delicious vegan camp meals, social activities for children and youth, as well as praises, experiences, and a blessed time together will mark unforgettable moments among God's family. Your effort to be there will be the most important contribution to this event. Make plans with your family and reserve your campsite or cabin at: familyamericanunion@gmail.com, phone: 770-715-0419, Facebook (American Union Families)

May God keep our hearts in His love until we meet.
